21st June 2021

What's going on this week?

The electric scooters, also known as e-scooters, are now available to rent in selected areas of London as part of a one-year scheme to measure their feasibility. As part of the trial, conducted by TFL (Transport for London) and London councils, the scooters are banned on pavements and limited to 15.5mph. Privately owned e-scooters remain illegal on most roads and cycle lanes due to a law dating back to the 1800s.

Things to talk about at home...

- Have you seen an e-scooter before? Where was it used?
- Do you think that e-scooters are safe to use on our roads?
- What is the transport like where you live?
