Read through the letter from Dexter, and Marcus Rashford's, response following England's recent loss at the final of the European Championship. How do you think Marcus will have felt reading letters like Dexter's?

The messages I had received today have been positively overwhelming and seeing the response in Withington had me on the verge of tears. The communities that always wrapped their arms around me continue to hold me up. I'm Marcus Rashford, 23 year old, black man from Withington and Wythenshawe, South Manchester. If I have nothing else I have that.
