

## Resource

Read through the resource below, which shows some of the moments from the advert. For each one, think about your friendships and if you have ever done any of these things for or with a friend.

...wanted to make a new friend but felt too shy or scared to speak to them?

Have you ever...

...shown a friend something new or taught them how to do something?

...had fun or played a game with a friend?

...made a friend smile?

...given a friend a gift?

Has a friend ever done any of these things for you?  
How did it make you feel?
