Reading Newsletter

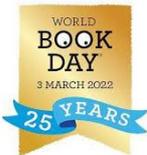

Spring 2 2022

It's that time of year again! Yes, it is World Book Day! This year is the 25th anniversary of the charitable organisation that aims to create a love of reading for all children. At Ash Grove, we know reading isn't about one day a year but it is fun to dress up and spend the whole day on fun book based activities!

Reading for pleasure is the single biggest indicator for success in life, more than family circumstances, educational background, or income.

Make sure you use your World Book Day Token to collect a new book from participating shops. If you haven't been given one, please ask your child's teacher.

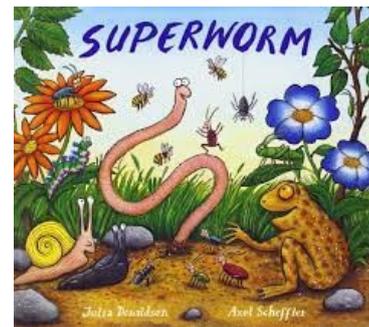

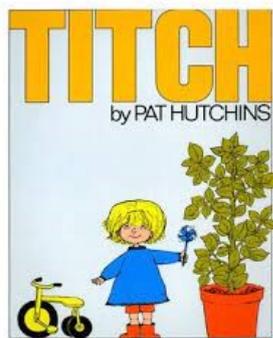

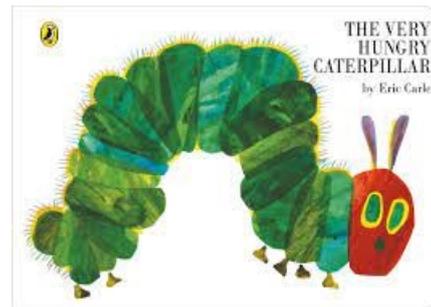

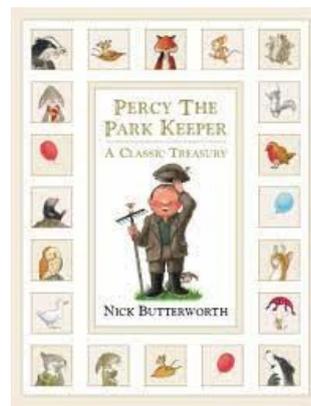

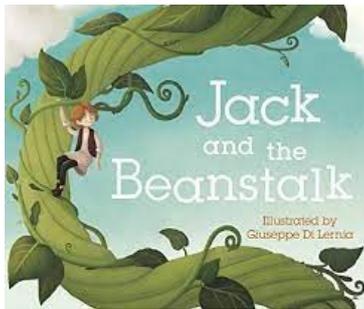

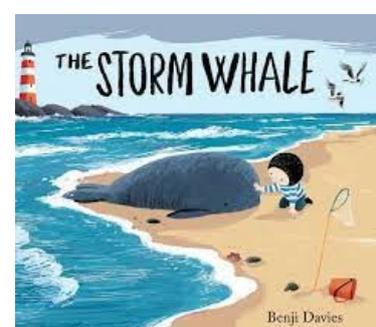

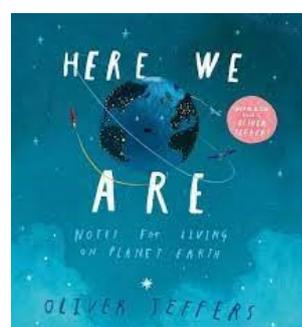

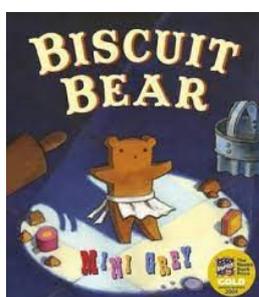

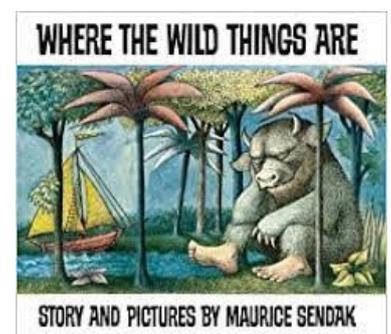

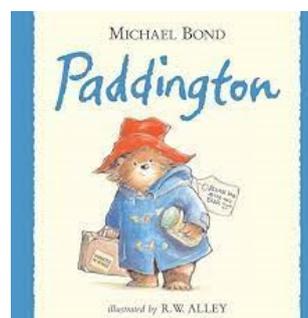

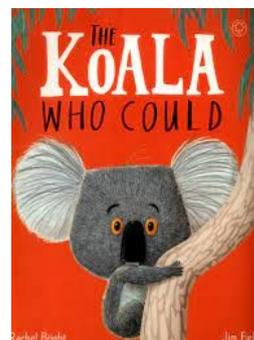

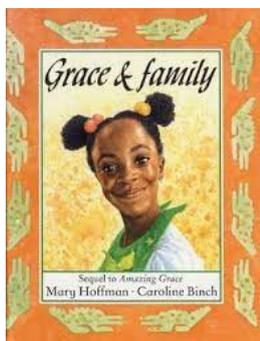

What are we reading in class this half term?

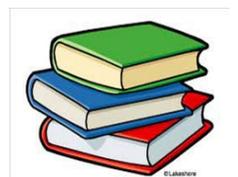

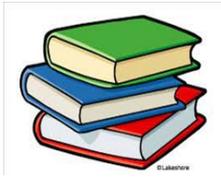

Early Years Foundation Stage

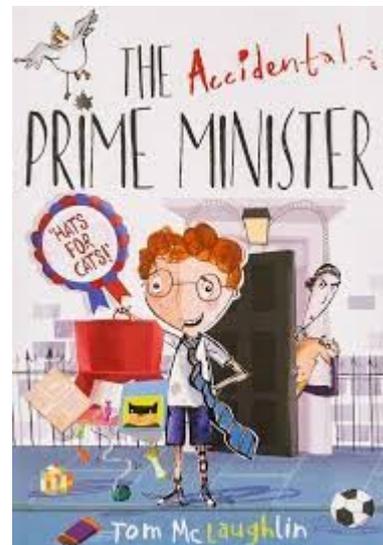

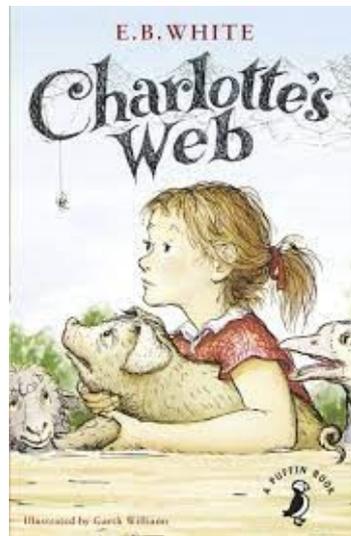

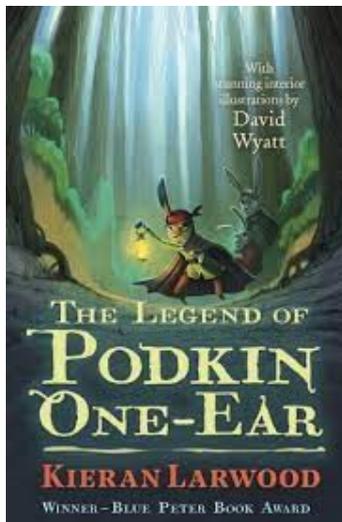

Key Stage One

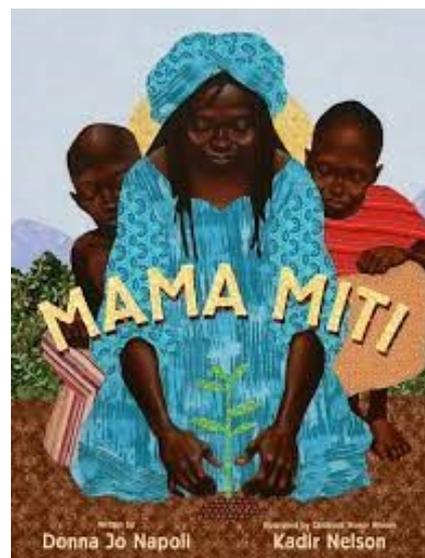

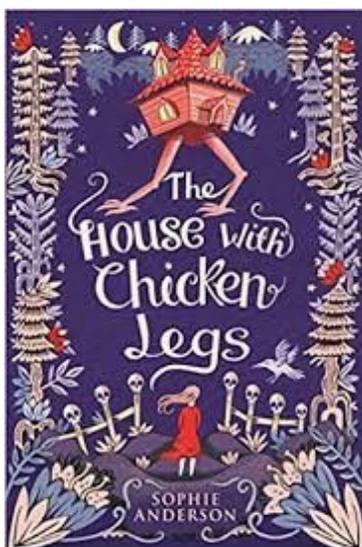

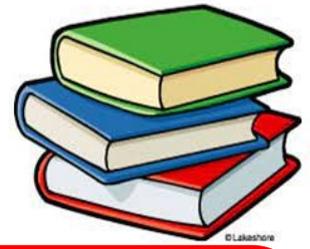

Lower Key Stage Two

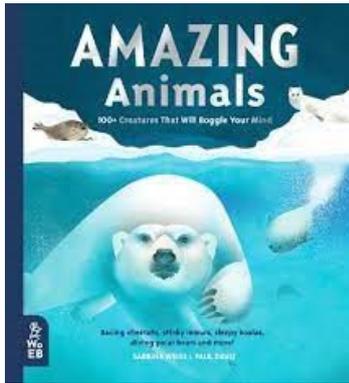

Upper Key Stage Two

Recommended Reads

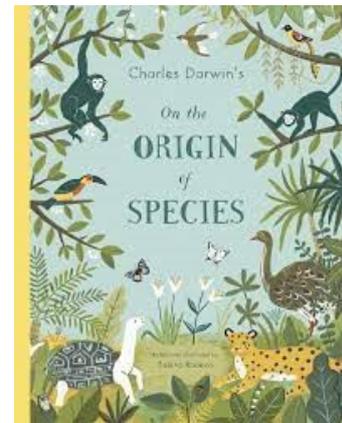

EYFS

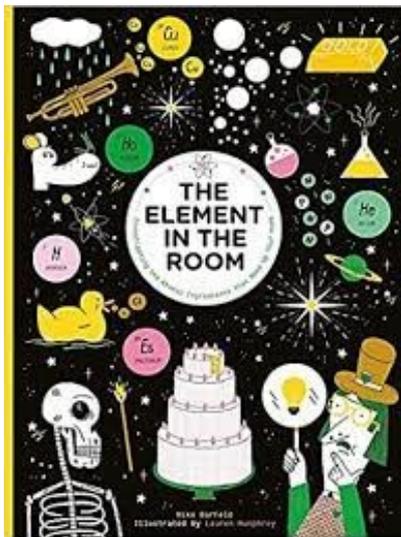

This book looks at over a hundred different animals and lets us know just how amazing they are! The illustrations are beautiful and you'll be admiring the pages for hours!

Sabina Radeva has recreated Darwin's most famous work as a beautifully illustrated book for children and adults alike. The stunning pictures bring the theory of evolution to life for young readers, and anyone who wants to learn about evolution.

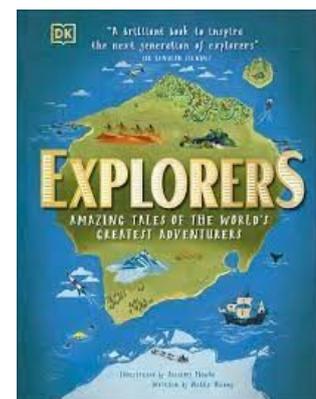

KS1

LKS2

Packed-full with beautiful and quirky illustrations by Lauren Humphrey and written by multi-talented Mike Barfield, this is a unique and novel introduction to the elements in the periodic table that will excite all young readers as they join Sherlock Ohms on his investigations to solve the mystery of how absolutely everything came to exist!

This book is brimming with first-person accounts of gripping adventures in explorers' own words. Find exciting tales complemented by rare maps, specially commissioned photographs, and artworks that re-create history's greatest expeditions. Get ready to take a leap into the unknown...
