

# Owl's Class Newsletter

The children in Nursery have had a wonderful first week back. Some children have settled in well after the summer holidays and we have had some new children start. The children have been learning our rules, new routine and making new friendships.

Our topic this half term is 'Me and My Community'. We will learn about each other such as what we like to do, eat, play with and who is special to us.

Every day, we choose a Value Champion. This child is chosen if they show our school values:

Responsibility  
Respect  
Appreciation  
Aspiration

They get to proudly wear a special medal all day.

Every day, we sit and enjoy our milk and fruit together. It gives us the opportunity to talk about our interests.

We had our first successful EYFS Stay & Play Session this Wednesday. This is where parents get to stay and play with their child and speak to their teacher about the progress their child is making in class. If you haven't signed up yet, please see Mrs Chorley.

Thank you for your continued support.

Mrs Chorley & Mrs Matthews
