

## Ravens Newsletter

In Science this half term, we have been learning all about the Rock Cycle. We have been enjoying this so much that at breaktime, some of us have been having a go at classifying rocks!

We have also learned all about Diwali and worked hard to make our own diya lights to promote prosperity and success.

Ravens had a blast on Times Tables Rockstars day! We dressed in our best rockin' outfits and learned about why it is important to learn our times tables. We've tried hard practising and school and at home - some of us even won prizes!

On Fridays, we have been getting musical in Samba and have wowed our teachers with our rhythm!

We have had a wonderful time so far this half term and can't wait to see what the rest of the year brings.

Thank you for your support!
