

Ospreys' Newsletter

Children in Ospreys have had a busy start to the school year, they've experienced visitors coming into school, to going on school trips to then experiencing Instant Christmas in the classroom.

This week the children have really enjoyed their Christmas crafts, they want to keep this a secret though as a surprise for their adults!

The children really enjoyed the visitors we had from Jasmine Pottery. They all got the chance to create their own Viking from clay.

This took a lot of focus and concentration as the children had to design this from scratch. They had to roll out the clay to then create their face. Once the children had put the faces together, they got to decorate them (this was by far the best part for the children.)

JASMINE
POTTERY STUDIOS

The children have focussed really well during this week, it was their first lot of assessments since being in year 5. I am extremely proud of how much focus and effort the children put into these. The results have shown me that the children are fantastic listeners and are taking on board the conversations that we have in class.

I know that they will continue to grow and show me improvements to be the best that they can be!

The children have been brilliant in the Autumn term, I cannot wait to see what the Spring term brings!

Thank you for your continued support so far this year.

We hope you have a lovely Christmas and New Year!

Miss Shaw, Mrs Palmer, Mrs Kirby ☺
