

Red Kites Newsletter

What a week we've had in Red Kites!

On Monday, we learned all about fire safety in Forest School and how to safely filter and purify water using a Kelly kettle. We chopped our own firewood safely then used the steel strikers to start the fires. The next Forest school session will be on the 12th of December - please ensure that your child is sent with appropriate clothing.

On Tuesday, we went to Liverpool to see the Slavery Museum after learning all about the Transatlantic slave trade in history. While we were there, the children enjoyed seeing modern art in the Tate as well as learning all about the Titanic and Lusitania disasters in the Maritime Museum.

Things turned festive on Thursday with our instant Christmas celebrations. We spent the day listening to Christmas carols, creating decorations and even did some Christmas themed Maths!
