

Buzzards' Class Newsletter

We have a very busy Spring Term in Buzzards filled with practicing our play, writing lots of fantastic pieces of writing and smashing our times table checks!

We had a fantastic World Book Day with even more fantastic costumes! We hope you enjoy looking at our pictures!

We enjoyed tasting and making Chinese food. We were really adventurous with our tasting and tried things we don't usually try!

In PE we have been enjoying gymnastics and working together to do fantastic balances and routines.

I can't believe we almost 2/3 way through this academic year already, it has flown by! This term we will be saying goodbye to Miss Fisher who has been training to be a teacher in our class.

I can't wait to see you all soon for our phase production!

Miss Dixon
