

## Falcons' Class Newsletter

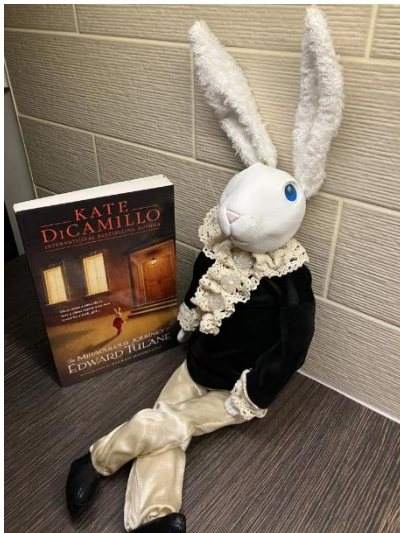

The Falcons have had a fantastic start to the year!

To celebrate Chinese New Year, Falcons had a class feast! They tried delicious foods like pak choi, noodles and seaweed. They dipped these into soy sauce, hoisin and fresh ginger. To finish the children tried freshly peeled lychees and Chinese mochi sweets.

This half term we have started our forest school sessions and have been learning basic survival skills such as how to make a shelter with ropes and tarpaulin and the importance of keeping it low so that the heat is closer to their bodies. In a couple of weeks, we will be learning how to make a real fire!

In English we have been working on the book 'The Miraculous journey of Edward Tulane'. The children have really enjoyed reading this book and finding out all the places and people he met. I have never known a class to be so excited and literally on the edge of their seats to find out the ending of the story! They have produced some lovely pieces of work around this book and the very talented Mrs Somerfield even made us our very own Edward Tulane!!

Last week there were some great book character costumes for World Book day and the children had a great day creating their own books and singing a song about lots of different books!

Thank you all for your continued support. We're looking forward to putting on our performance for you in a couple of weeks!

Mr Yeadon, Mrs Claypole and Mrs Somerfield 😊
