PARENT UPDATE

Dear Parents and Carers,

I just wanted to send an update to make sure you are all fully informed about what is happening at school. As a parent myself, I know how unsettling it can be when change happens especially when you do not feel part of the process.

As you are aware, Miss Williams is unwell at the moment and has been off for some time and we are unclear as to when she may be well enough to return. Whilst we are very confident that the staff are doing a great job of keeping standards high we also know that it is important that there is a leader in school that parents and staff can go to if they need to.

The CEO and I are currently at the school supporting the senior leadership with the day to day running of the school as they are based in class and are available for any questions or queries parents may have. We have committed to being present in school as much as we can until Miss Williams returns as a supportive measure to ensure there is no disruption to teaching.

I know that the team have planned some exciting Parent events moving forward, based on your feedback that you want to be more involved in the school and our next parent evening date will be sent out this week.

It has been lovely getting to know some of you over the past few weeks and I have been blown away by the support you give your children by attending assemblies for example and joining in on Red Nose Day. The children are a delight and have made us all feel very welcome and it has been a pleasure to be part of such a warm and caring school community.

I look forward to meeting more of you over time and please remember that our door is always open if you need to see a member of the leadership team.

Yours sincerely

Mrs K Stubbs
