It has been a busy half term at Ash Grove in the lead up to Christmas. All of our classes have performed different nativity productions and carol singing.

Mrs Claypole has been working extremely hard to help all the children at Ash Grove to spread Christmas joy through beautiful singing assemblies.

In our final week, she has been working even harder to ensure we are all prepared for the carol service at St Mary's Church. During singing assembly yesterday, we had a run through of our playlist, which included year 6 children telling the story of Jesus.

In addition to all of our singing, we have all participated in our Christmas parties, which have included lots of snacks, games and Christmas fun.

We spoke to a child in year 4 and he told us that he loved the Christmas party because we got sweets, presents and

played fun games. A child from year 3 said, "I liked to dance around with my friends and come to school in my party clothes."

Ash Grove encountered a special guest during the Christmas parties; the infamous... Father Christmas. He visited KSI classes to deliver them all wonderful presents.

From all the pupils and staff at Ash Grove, we wanted to wish you all a Merry Christmas and a happy new year! Look out for our next edition in 2024!
